- Rapid action and drying after disinfection of surfaces and objects
- Freshly scented
- Good wetting power
- No adverse effect on most materials

Special precautions

a) Counter-measures in case of improper use

Fugaten® is irritating by contact with the mucous membranes (eyes, throat, stomach, bowels etc.). In case of such irritations dilute product immediately. If it has been taken orally, make patient drink plenty of water; if it has been in contact with other mucous membranes, rinse thoroughly with plenty of water. In each case, get medical attention.

b) Miscellaneous

Do not apply on materials which are not compatible with alcohol (coated, pickled surfaces, acrylic glass etc.).

c) Use disinfectants safely. Always read the label and product information before use.

Certified and mentioned in the relevant lists.
